COMMON AUCTION CONDITIONS

Introduction
The Common Auction Conditions have been produced for real estate auctions in England and Wales to set a common standard across the industry. They are in three sections:

Glossary
The glossary gives special meanings to certain words used in both sets of conditions.

Auction Conduct Conditions
The Auction Conduct Conditions govern the relationship between the auctioneer and anyone who has a catalogue, or who attends or bids at the auction. They cannot be changed without the auctioneer’s agreement.

We recommend that these conditions are set out in a two-part notice to bidders in the auction catalogue, part one containing advisory material – which auctioneers can tailor to their needs – and part two the auction conduct conditions.

Sale Conditions
The Sale Conditions govern the agreement between each seller and buyer. They include general conditions of sale and template forms of special conditions of sale, tenancy and arrears schedules and a sale memorandum.

Important Notice

A prudent buyer will, before bidding for a lot at an auction:

- Take professional advice from a conveyancer and, in appropriate cases, a chartered surveyor and an accountant;
- Read the conditions;
- Inspect the lot;
- Carry out usual searches and make usual enquiries;
- Check the content of all available leases and other documents relating to the lot;
- Check that what is said about the lot in the catalogue is accurate;
- Have finance available for the deposit and purchase price;
- Check whether VAT registration and election is advisable;

The conditions assume that the buyer has acted like a prudent buyer. If you choose to buy a lot without taking these normal precautions you do so at your own risk.

Glossary

This glossary applies to the **auction conduct conditions** and the sale **conditions**.

Wherever it makes sense:

- singular words can be read as plurals, and plurals as singular words;

- a “person” includes a corporate body; words of one gender include the other genders; references to legislation are to that legislation as it may have been modified or re-enacted by the date of the **auction** or the **contract** date (as applicable); and

AUCTION CONDUCT CONDITIONS

A1 Introduction

A1.1 Words in bold red type have special meanings, which are defined in the Glossary.

A1.2 The **catalogue** is issued only on the basis that **you** accept these **auction conduct conditions**. They govern **our** relationship with **you** and cannot be disapplied or varied by the sale **conditions** (even by a **condition** purporting to replace the whole of the Common **Auction Conditions**). They can be varied only if **we** agree.

A2 Our role

A2.1 As agents for each **seller we** have authority to:

- (a) prepare the **catalogue** from information supplied by or on behalf of each **seller**;
- (b) offer each **lot** for sale;
- (c) sell each **lot**;
- (d) receive and hold deposits;
- (e) sign each sale memorandum; and
- (f) treat a **contract** as repudiated if the **buyer** fails to sign a sale memorandum or pay a deposit as required by these **auction conduct conditions**.

A2.2 **Our** decision on the conduct of the **auction** is final.

A2.3 **We** may cancel the **auction**, or alter the order in which **lots** are offered for sale. **We** may also combine or divide **lots**. A **lot** may be sold or withdrawn from sale prior to the **auction**.

A2.4 **You** acknowledge that to the extent permitted by law **we** owe **you** no duty of care and **you** have no claim against **us** for any loss.

A3 Bidding and reserve prices

A3.1 All bids are to be made in pounds sterling exclusive of any applicable **VAT**.

A3.2 **We** may refuse to accept a bid. **We** do not have to explain why.

A3.3 If there is a dispute over bidding **we** are entitled to resolve it, and **our** decision is final.

A3.4 Unless stated otherwise each **lot** is subject to a reserve **price** (which may be fixed just before the **lot** is offered for sale). If no bid equals or exceeds that reserve **price** the **lot** will be withdrawn from the **auction**.

A3.5 Where there is a reserve **price** the **seller** may bid (or ask **us** or another agent to bid on the **seller’s** behalf) up to the reserve **price** but may not make a bid equal to or exceeding the reserve **price**. **You** accept that it is possible that all bids up to the reserve **price** are bids made by or on behalf of the **seller**.

A3.6 Where a guide **price** (or range of **prices**) is given that guide is the minimum **price** at which, or range of **prices** within which, the **seller** might be prepared to sell at the date of the guide **price**. But guide **prices** may change. The last published guide **price** will normally be at or above any reserve **price**, but not always – as the **seller** may fix the final reserve **price** just before bidding commences.

A4 The particulars and other information

A4.1 **We** have taken reasonable care to prepare **particulars** that correctly describe each **lot**. The **particulars** are based on information supplied by or on behalf of the **seller**. **You** need to check that the information in the **particulars** is correct.

A4.2 If the **special conditions** do not contain a description of the **lot**, or simply refer to the relevant **lot** number, **you** take the risk that the description contained in the **particulars** is incomplete or inaccurate, as the **particulars** have not been prepared by a conveyancer and are not intended to form part of a legal **contract**.

A4.3 The **particulars** and the sale **conditions** may change prior to the **auction** and it is **your** responsibility to check that **you** have the correct versions.

A4.4 If **we** provide information, or a copy of a document, provided by others **we** do so only on the basis that **we** are not responsible for the accuracy of that information or document.

A5 The contract

A5.1 A successful bid is one **we** accept as such (normally on the fall of the hammer). This **condition** A5 applies to **you** if **you** make the successful bid for a **lot**.

A5.2 **You** are obliged to buy the **lot** on the terms of the sale memorandum at the **price you** bid plus **VAT** (if applicable).

A5.3 **You** must before leaving the **auction**:

- (a) provide all information **we** reasonably need from **you** to enable **us** to complete the sale memorandum (including proof of your identity if required by us);
- (b) sign the completed sale memorandum; and

hours for a reason other than the **seller's** default it is to be treated, for the purposes of apportionment and calculating interest, as if it had taken place on the next business day.

G6.6 Where applicable the **contract** remains in force following **completion**.

G7. Notice to complete

G7.1 The **seller** or the **buyer** may on or after the agreed **completion** date but before **completion** give the other notice to complete within ten business days (excluding the date on which the notice is given) making time of the essence.

G7.2 The person giving the notice must be **ready to complete**.

G7.3 If the **buyer** fails to comply with a notice to complete the **seller** may, without affecting any other remedy the **seller** has:

- (a) terminate the **contract**;
- (b) claim the deposit and any interest on it if held by a stakeholder;
- (c) forfeit the deposit and any interest on it;
- (d) resell the **lot**; and
- (e) claim damages from the **buyer**.

G7.4 If the **seller** fails to comply with a notice to complete the **buyer** may, without affecting any other remedy the **buyer** has:

- (a) terminate the **contract**; and
- (b) recover the deposit and any interest on it from the **seller** or, if applicable, a stakeholder.

G8. If the contract is brought to an end

If the **contract** is lawfully brought to an end:

- (a) the **buyer** must return all papers to the **seller** and appoints the **seller** its agent to cancel any registration of the **contract**; and
- (b) the **seller** must return the deposit and any interest on it to the **buyer** (and the **buyer** may claim it from the stakeholder, if applicable) unless the **seller** is entitled to forfeit the deposit under **condition** G7.3.

G9. Landlord's licence

G9.1 Where the **lot** is or includes leasehold land and licence to assign is required this **condition** G9 applies.

G9.2 The **contract** is **conditional** on that licence being obtained, by way of formal licence if that is what the landlord lawfully requires.

G9.3 The agreed **completion** date is not to be earlier than the date five business days after the **seller** has given notice to the **buyer** that licence has been obtained.

G9.4 The **seller** must: (a) use all reasonable endeavours to obtain the licence at the **seller's** expense; and (b) enter into any authorised guarantee agreement properly required.

G9.5 The **buyer** must:

- (a) promptly provide references and other relevant information; and
- (b) comply with the landlord's lawful requirements.

G9.6 If within three months of the **contract** date (or such longer period as the **seller** and **buyer** agree) the licence has not been obtained the **seller** or the **buyer** may (if not then in breach of any obligation under this **condition** G9) by notice to the other terminate the **contract** at any time before licence is obtained. That termination is without prejudice to the claims of either **seller** or **buyer** for breach of this **condition** G9.

G10. Interest and apportionments

G10.1 If the **actual completion date** is after the agreed **completion** date for any reason other than the **seller's** default the **buyer** must pay interest at the **interest rate** on the **price** (less any deposit paid) from the agreed **completion** date up to and including the **actual completion date**.

G10.2 Subject to **condition** G11 the **seller** is not obliged to apportion or account for any sum at **completion** unless the **seller** has received that sum in cleared funds. The **seller** must pay to the **buyer** after **completion** any sum to which the **buyer** is entitled that the **seller** subsequently receives in cleared funds.

G10.3 Income and outgoings are to be apportioned at **actual completion date** unless:

- (a) the **buyer** is liable to pay interest; and
- (b) the **seller** has given notice to the **buyer** at any time up to **completion** requiring apportionment on the date from which interest becomes payable by the **buyer**; in which event income and outgoings are to be apportioned on the date from which interest becomes payable by the **buyer**.

G10.4 Apportionments are to be calculated on the basis that:

- (a) the **seller** receives income and is liable for outgoings for the whole of the day on which apportionment is to be made;

- (b) annual income and expenditure accrues at an equal daily rate assuming 365 days in a year, and income and expenditure relating to some other period accrues at an equal daily rate during the period to which it relates; and

- (c) where the amount to be apportioned is not known at **completion** apportionment is to be made by reference to a reasonable estimate and further payment is to be made by **seller** or **buyer** as appropriate within five business days of the date when the amount is known.

G11. Arrears

Part 1 Current rent

G11.1 "Current rent" means, in respect of each of the **tenancies** subject to which the **lot** is sold, the instalment of rent and other sums payable by the tenant in advance on the most recent rent payment date on or within four months preceding **completion**.

G11.2 If on **completion** there are any **arrears** of current rent the **buyer** must pay them, whether or not details of those **arrears** are given in the **special conditions**.

G11.3 Parts 2 and 3 of this **condition** G11 do not apply to **arrears** of current rent.

Part 2 Buyer to pay for arrears

G11.4 Part 2 of this **condition** G11 applies where the **special conditions** give details of **arrears**.

G11.5 The **buyer** is on **completion** to pay, in addition to any other money then due, an amount equal to all **arrears** of which details are set out in the **special conditions**.

G11.6 If those **arrears** are not **old arrears** the **seller** is to assign to the **buyer** all rights that the **seller** has to recover those **arrears**.

Part 3 Buyer not to pay for arrears

G11.7 Part 3 of this **condition** G11 applies where the **special conditions**:

- (a) so state; or
- (b) give no details of any **arrears**.

G11.8 While any **arrears** due to the **seller** remain unpaid the **buyer** must:

- (a) try to collect them in the ordinary course of management but need not take legal proceedings or forfeit the tenancy;
- (b) pay them to the **seller** within five business days of receipt in cleared funds (plus interest at the **interest rate** calculated on a daily basis for each subsequent day's delay in payment);

- (c) on request, at the cost of the **seller**, assign to the **seller** or as the **seller** may direct the right to demand and sue for **old arrears**, such assignment to be in such form as the **seller's** conveyancer may reasonably require;

- (d) if reasonably required, allow the **seller's** conveyancer to have on loan the counterpart of any tenancy against an undertaking to hold it to the **buyer's** order;

- (e) not without the consent of the **seller** release any tenant or surety from liability to pay **arrears** or accept a surrender of or forfeit any tenancy under which **arrears** are due; and

- (f) if the **buyer** disposes of the **lot** prior to recovery of all **arrears** obtain from the **buyer's** successor in title a covenant in favour of the **seller** in similar form to part 3 of this **condition** G11.

G11.9 Where the **seller** has the right to recover **arrears** it must not without the **buyer's** written consent bring insolvency proceedings against a tenant or seek the removal of goods from the **lot**.

G12. Management

G12.1 This **condition** G12 applies where the **lot** is sold subject to **tenancies**.

G12.2 The **seller** is to manage the **lot** in accordance with its standard management policies pending **completion**.

G12.3 The **seller** must consult the **buyer** on all management issues that would affect the **buyer** after **completion** (such as, but not limited to, an application for licence; a rent review; a variation, surrender, agreement to surrender or proposed forfeiture of a tenancy; or a new tenancy or agreement to grant a new tenancy) and:

- (a) the **seller** must comply with the **buyer's** reasonable requirements unless to do so would (but for the indemnity in paragraph (c)) expose the **seller** to a liability that the **seller** would not otherwise have, in which case the **seller** may act reasonably in such a way as to avoid that liability;
- (b) if the **seller** gives the **buyer** notice of the **seller's** intended act and the **buyer** does not object within five business days giving reasons for the objection the **seller** may act as the **seller** intends; and

- (c) the **buyer** is to indemnify the **seller** against all loss or liability the **seller** incurs through acting as the **buyer** requires, or by reason of delay caused by the **buyer**.

G13. Rent deposits

G13.1 This **condition** G13 applies where the **seller** is holding or otherwise entitled to money by way of rent deposit in respect of a tenancy. In this **condition** G13 "rent deposit deed" means the deed or other document under which the rent deposit is held.

G13.2 If the rent deposit is not assignable the **seller** must on **completion** hold the rent deposit on trust for the **buyer** and, subject to the terms of the rent deposit deed, comply at the cost of the **buyer** with the **buyer's** lawful instructions.

G13.3 Otherwise the **seller** must on **completion** pay and assign its interest in the rent deposit to the **buyer** under an assignment in which the **buyer** covenants with the **seller** to:

- (a) observe and perform the **seller's** covenants and **conditions** in the rent deposit deed and indemnify the **seller** in respect of any breach;
- (b) give notice of assignment to the tenant; and
- (c) give such direct covenant to the tenant as may be required by the rent deposit deed.

G14. VAT

G14.1 Where a sale **condition** requires money to be paid or other consideration to be given, the payer must also pay any **VAT** that is chargeable on that money or consideration, but only if given a valid **VAT** invoice.

G14.2 Where the **special conditions** state that no **VAT option** has been made the **seller** confirms that none has been made by it or by any company in the same **VAT** group nor will be prior to **completion**.

G15. Transfer as a going concern

G15.1 Where the **special conditions** so state:

- (a) the **seller** and the **buyer** intend, and will take all practicable steps (short of an appeal) to procure, that the sale is treated as a **transfer** of a going concern; and
- (b) this **condition** G15 applies.

G15.2 The **seller** confirms that the **seller**

- (a) is registered for **VAT**, either in the **seller's** name or as a member of the same **VAT** group; and
- (b) has (unless the sale is a standard-rated supply) made in relation to the **lot** a **VAT option** that remains valid and will not be revoked before **completion**.

G15.3 The **buyer** confirms that:

- (a) it is registered for **VAT**, either in the **buyer's** name or as a member of a **VAT** group;

- (b) it has made, or will make before **completion**, a **VAT option** in relation to the **lot** and will not revoke it before or within three months after **completion**;

- (c) article 5(2B) of the Value Added Tax (Special Provisions) Order 1995 does not apply to it; and

- (d) it is not buying the **lot** as a nominee for another person.

G15.4 The **buyer** is to give to the **seller** as early as possible before the agreed **completion** date evidence:

- (a) of the **buyer's** **VAT** registration;
- (b) that the **buyer** has made a **VAT option**; and
- (c) that the **VAT option** has been notified in writing to HM Revenue and Customs;

and if it does not produce the relevant evidence at least two business days before the agreed **completion** date, **condition** G14.1 applies at **completion**.

G15.5 The **buyer** confirms that after **completion** the **buyer** intends to:

- (a) retain and manage the **lot** for the **buyer's** own benefit as a continuing business as a going concern subject to and with the benefit of the **tenancies**; and
- (b) collect the rents payable under the **tenancies** and charge **VAT** on them

G15.6 If, after **completion**, it is found that the sale of the **lot** is not a **transfer** of a going concern then:

- (a) the **seller's** conveyancer is to notify the **buyer's** conveyancer of that finding and provide a **VAT** invoice in respect of the sale of the **lot**;
- (b) the **buyer** must within five business days of receipt of the **VAT** invoice pay to the **seller** the **VAT** due; and
- (c) if **VAT** is payable because the **buyer** has not complied with this **condition** G15, the **buyer** must pay and indemnify the **seller** against all costs, interest, penalties or surcharges that the **seller** incurs as a result.

G16. Capital allowances

G16.1 This **condition** G16 applies where the **special conditions** state that there are capital allowances available in respect of the **lot**.

G16.2 The **seller** is promptly to supply to the **buyer** all information reasonably required by the **buyer** in connection with the **buyer's** claim for capital allowances.

G16.3 The value to be attributed to those items on which capital allowances may be claimed is set out in the **special conditions**.

G16.4 The **seller** and **buyer** agree:

- (a) to make an election on **completion** under Section 198 of the Capital Allowances Act 2001 to give effect to this **condition** G16; and
- (b) to submit the value specified in the **special conditions** to HM Revenue and Customs for the purposes of their respective capital allowance computations.

G17. Maintenance agreements

G17.1 The **seller** agrees to use reasonable endeavours to **transfer** to the **buyer**, at the **buyer's** cost, the benefit of the maintenance agreements specified in the **special conditions**.

G17.2 The **buyer** must assume, and indemnify the **seller** in respect of, all liability under such **contracts** from the **actual completion date**.

G18. Landlord and Tenant Act 1987

G18.1 This **condition** G18 applies where the sale is a relevant disposal for the purposes of part 1 of the Landlord and Tenant Act 1987.

G18.2 The **seller** warrants that the **seller** has complied with sections 5B and 7 of that Act and that the requisite majority of qualifying tenants has not accepted the offer.

G19. Sale by practitioner

G19.1 This **condition** G19 applies where the sale is by a **practitioner** either as **seller** or as agent of the **seller**.

G19.2 The **practitioner** has been duly appointed and is empowered to sell the **lot**.

G19.3 Neither the **practitioner** nor the firm or any member of the firm to which the **practitioner** belongs has any personal liability in connection with the sale or the performance of the **seller's** obligations. The **transfer** is to include a declaration excluding that personal liability.

G19.4 The **lot** is sold:

- (a) in its **condition** at **completion**;
- (b) for such title as the **seller** may have; and
- (c) with no title guarantee; and the **buyer** has no right to terminate the **contract** or any

other remedy if information provided about the **lot** is inaccurate, incomplete or missing.

G19.5 Where relevant:

- (a) the documents must include certified copies of those under which the **practitioner** is appointed, the document of appointment and the **practitioner's** acceptance of appointment; and
- (b) the **seller** may require the **transfer** to be by the lender exercising its power of sale under the Law of Property Act 1925.

G19.6 The **buyer** understands this **condition** G19 and agrees that it is fair in the circumstances of a sale by a **practitioner**.

G20. TUPE

G20.1 If the **special conditions** state "There are no employees to which **TUPE** applies", this is a warranty by the **seller** to this effect. G20.2 If the **special conditions** do not state "There are no employees to which **TUPE** applies" the following paragraphs apply:

- (a) The **seller** must notify the **buyer** of those employees whose **contracts** of employment will **transfer** to the **buyer** on **completion** (the "Transferring Employees"). This notification must be given to the **buyer** not less than 14 days before **completion**.
- (b) The **buyer** confirms that it will comply with its obligations under **TUPE** and any **special conditions** in respect of the **Transferring Employees**.
- (c) The **buyer** and the **seller** acknowledge that pursuant and subject to **TUPE**, the **contracts** of employment between the **Transferring Employees** and the **seller** will **transfer** to the **buyer** on **completion**.
- (d) The **buyer** is to keep the **seller** indemnified against all liability for the **Transferring Employees** after **completion**.

G21. Environmental

G21.1 This **condition** G21 only applies where the **special conditions** so provide.

G21.2 The **seller** has made available such reports as the **seller** has as to the environmental **condition** of the **lot** and has given the **buyer** the opportunity to carry out investigations (whether or not the **buyer** has read those reports or carried out

any investigation) and the **buyer** admits that the **price** takes into account the environmental **condition** of the **lot**.

G21.3 The **buyer** agrees to indemnify the **seller** in respect of all liability for or resulting from the environmental **condition** of the **lot**.

G22. Service Charge

G22.1 This **condition** G22 applies where the **lot** is sold subject to **tenancies** that include service charge provisions.

G22.2 No apportionment is to be made at **completion** in respect of service charges.

G22.3 Within two months after **completion** the **seller** must provide to the **buyer** a detailed service charge account for the service charge year current on **completion** showing:

- (a) service charge expenditure attributable to each tenancy;
- (b) payments on account of service charge received from each tenant;
- (c) any amounts due from a tenant that have not been received;
- (d) any service charge expenditure that is not attributable to any tenancy and is for that reason irrecoverable.

G22.4 In respect of each tenancy, if the service charge account shows that:

- (a) payments on account (whether received or still then due from a tenant) exceed attributable service charge expenditure, the **seller** must pay to the **buyer** an amount equal to the excess when it provides the service charge account;
- (b) attributable service charge expenditure exceeds payments on account (whether those payments have been received or are still then due), the **buyer** must use all reasonable endeavours to recover the shortfall from the tenant at the next service charge reconciliation date and pay the amount so recovered to the **seller** within five business days of receipt in cleared funds; but in respect of payments on account that are still due from a tenant **condition** G11 (**arrears**) applies.

G22.5 In respect of service charge expenditure that is not attributable to any tenancy the **seller** must pay the expenditure incurred in respect of the period before **actual completion date** and the **buyer** must pay the expenditure incurred in respect of the period after **actual completion date**. Any necessary

monetary adjustment is to be made within five business days of the **seller** providing the service charge account to the **buyer**.

G22.6 If the **seller** holds any reserve or sinking fund on account of future service charge expenditure or a depreciation fund:

- (a) the **seller** must pay it (including any interest earned on it) to the **buyer** on **completion**; and
- (b) the **buyer** must covenant with the **seller** to hold it in accordance with the terms of the **tenancies** and to indemnify the **seller** if it does not do so.

G23. Rent reviews

G23.1 This **condition** G23 applies where the **lot** is sold subject to a tenancy under which a rent review due on or before the **actual completion date** has not been agreed or determined.

7.4 Where JOHN PYE PROPERTY is Data Controller and it permits access to the Personal Data to the buyer (and/or seller) then the buyer (and/or seller) shall be the Data Processor in respect of such Personal Data and shall comply with any instructions issued by JOHN PYE PROPERTY.

8.2 If or to the extent that any of these Terms (as amended from time to time in writing by JOHN PYE PROPERTY) are Terms to which any of the provisions of the Unfair Contract Terms Act 1977 or the Supply of Goods and Services Act 1982 or any subsequent modification or re-enactment thereof apply then such Terms shall be enforceable only to the extent permitted by those Acts or their subsequent modification or re-enactment and these Terms shall be construed accordingly.

8.3 If JOHN PYE PROPERTY fails, at any time while these Terms are in force, to insist that the Seller and/or Buyer perform their obligations under these Terms, or if JOHN PYE PROPERTY does not exercise any of its rights or remedies under these Terms, that will not mean that JOHN PYE PROPERTY has waived such rights or remedies and will not mean that the seller and/or buyer does not have to comply with those obligations. If JOHN PYE PROPERTY do waive a default by the seller and/or buyer that will not mean that JOHN PYE PROPERTY will automatically waive any subsequent default by the seller and/or buyer. No waiver by JOHN PYE PROPERTY of any of these Terms shall be effective unless JOHN PYE PROPERTY expressly says that it is a waiver and JOHN PYE PROPERTY tell the buyer and seller so in writing.

8.4 A person who is not party to these Terms shall not have any rights under or in connection with them under the Contracts (Rights of Third Parties) Act 1999.
